Exhibit 7

A It was a long time ago, man.

Q What was the Stokes name?

A Signal Mountain. His last name is Stokes. I just remember being in the state joint with him back in the day. He is still in there.

Q I don't know about that. I have some other relatives to do a little time behind the wall but other that but as far as killing, no. What I was saying is, I ain't going to bullshit you.

A Yeah.

Q Some of these officers, man, listen to this, get to that, felt like a fucking robot. You hear me, right?

A Yeah.

Q That's how I am going to talk to you. Tell us about your trip and how you got the Mitsubishi, the car you was driving?

A Man, I traded a gram of heroin to rent the car, from dirt ass, junk ass, garbage ass lady.

Q Who was that?

A Her name is KeKe.

Q So she on heroin so you traded from KeKe?

A I am going to tell you her name.

Q Kiara?

A Yeah.

Exhibit 8

Q Puny?
A Yeah, he had a stripper party or some shit.
Q At his house?
A Yeah. And got down and that's when I make the deal with her.
Q How well you know that dude?
A I mean --
Q Just be honest, man, because I am going to be honest with you.
A I don't really know him that well, I just know him through the streets, you know what I'm saying and like I have dealt with him probably like -- I cooked some of the fake dope for him a couple of times, you know what I am saying and he heard that I could make it and he come at me.
Q Right. He already knew that shit was fake anyway, right?
A Hell, yeah.
Q He was just selling it out to everybody, right?
A Yeah, yeah, MSN nothing but calcium, it ain't going to hurt nobody, it's just a woo, they know as soon as they get it it is just all about the trade the money, you get the money you gone. You know what I am saying.

maybe two red lights down from the McDonald's and then you go down and you take like a split.

Q Describe the house.

A It's kind of crazy. Got a driveway that go up the side way and he got the little raggly camera sitting out there.

Q We know where you are talking about then.

A It wasn't there though.

Q It wasn't there.

A No, that's where the stripper party was at.

Q Right.

★ A Where I got the car at was somewhere else off Bonny Oaks.

Q What color house was it?

A Man, brother, for real for real like I can barely vaguely remember but it was like, I want to say white.

Q Do you think it was a blue house?

A It was dark as a motherfucker, it was dark, ★ you know what I'm saying. I gave a gram of heroin to the bitch and I don't like her, you know what I'm saying, she is crud ball, you know what I'm saying. She did some shit to my little brother, ran off for some money from him. I really didn't like dealing with her, I needed that car. I needed to come

up here where I could get some bread. I just rented the car.

★ Q Did you see KeKe directly to get that car?

★ A Yeah.

Q What was the conversation like?

A I mean she -- she owed me money.

Q How much?

A Like two fifty, you know what I'm saying and she owe my brother two fifty but my brother gave her the bread and she ran off with the bread.

Q Right.

A She was supposed to go make some shit happen and never came back.

Q Who is your brother?

A Savage, another brother. When you said Savage.

Q So your brother is Savage?

A Not that Savage man, little youngster. He is a little youngster and he ain't got nothing to do with this so that's as far as I'm going to go with that. I am talking to you all, brother, but I ain't kill nobody. I just rent the fucking car. (Indiscernible) you know what I'm saying and that's it.

Q Why would he put this shit all on you?

Exhibit 11

A Well, when I get charged that's wher we deal with that but I ain't charged with nothing for driving no car, man. I can't be charged with some boy coming up missing.

Q We are not saying you are charged.

A Yeah.

Q Our job is to investigate this thoroughly to figure out who is telling the truth and who is not.

A Look, I ain't got no problem with that, that KeKe, I don't like her. I don't have no problem with him and I don't know his momma. Now, I sympathize with his momma saying two weeks ago that she was worried about him. Now he still ain't around.

Q Right.

A I would help in any way I could, you know what I'm saying but that nasty ass bitch that he fuck with, she ain't no good, she ain't no good, man. I really didn't want to give her shit.

Q Right.

A You know what I'm saying for renting the car.

Q Right.

A I didn't even give it to her because that's why I ain't put it in her hands because of that.

Exhibit 12

Like I would have threw on the ground first. You know what I'm saying?

Q Right.

A I gave it to the white boy that she be with, you know what I'm saying. I gave it to him, here man, you know what I'm saying because I'm not going to give something to somebody who owes me money.

Q What white bro?

A I don't know his name, little skeezer man that be with her all the time, do the skip gang shit.

Q Let me ask you this. You say you got the car from a house off Bonny Oaks, right?

Q And it was dark --

A Off Bonny Oaks, that's where I got the car but I made the deal prior to that though.

Q Right. If you had to guess, what time was it? I know some has passed but if you had to guess, estimate, what time would you have got that car?

A Man, it was late night, it was dark as hell outside.

Q So ten or later?

A Okay. I tell you what, when I got to the hotel, that's when I got the car, that I can get the car.
