3rd lie
③ Derek then stated, he did not remember who he got the car from, but stated, it was at a Hotel. 5-28-2020

4th lie
④ Derek said Holland Owes him money — 6-10-2020
(inconsistent or Contradicting to Derek saying, Holland "Fronted" him several hundred Dollars.)

5th lie
⑤ Derek stated, Kiara rented Randalls car to Derek for a gram of Heroin — 6-10-2020

6th lie
⑥ Derek then said Kiara owe him $500
~~7th lie~~ ~~⑤~~ (Its contradicting, because if she owe him why would she be gave a Gram of Heroin to rent him Randalls car)

7th lie
⑦ Derek said, Holland gave Kiara the gram of Heroin for the car 6-10-2020
(Its contradicting, because if Holland and Kiara owe Derek, why would he except a stolen car for payment that Have been involved in a murder/Its also contradicting to Derek, saying he got the car from Holland)

8th lie

(8th) Derek stated, he obtained Randall from a House off Bonny Oaks Drive 6-10-2020
(its contradicting to all of his prior earlier statements)

9th lie

(9th) During Derek recorded interview on 6-18-2020 he stated, he didn't shoot Randall or dump his body on the side of the road
(its contradicting to his Nov 2021 Confession, when Derek stated he took the vehicle and initially drove to a dark and secluded boat ramp where he transferred Randall Leslies body to the trunk of the car. Then drove to a Location near Tiftonia where he Dumped the body

10th lie

(10) Derek stated he kept the Vehicle because Holland owed him a debt
(its contradicting and don't make sense, because Holland did'nt have ownership to give him Randall car. And why would [redacted] he except a stolen car with a deceased man in it as a payment for a debt?
And Holland got Evidence proof that he owned 2 Trucks, a Jag, Cadillac, + Mercedes Benz. iff Holland Owed him why wouldn't he have wanted a Legit car as a payment? That's proof, that Derek is a Obitual Liar!
Holland also has 2 motorcycles, 2 R.V.'s, and a Nissan Rogue.
Why wouldn't he want something Legit if Holland owed him?
Its also contradicting to Derek saying, Holland Fronted him 100's of dollars

11th lie

(11) Derek stated, Holland offered Randalls vehicle as collateral for a debt owed to Derek 6-18-2020
This is contradicting to all of his earlier statements
